

High School Curriculum

Weekly Update # 14

The idea of commitment is always worth re-visiting throughout the year as students continue their leadership and/or membership in the Montana Career Association. In the following months, they will commit to learning career readiness skills to utilize as they prepare for the IGNITE Montana Conference competitive events in the Spring.

[Lesson Plan E30L1](#) and [E30L2](#) offer 2 activities each that remind students of the importance of commitment to an organization. They will take approximately 4 days to complete.

These lesson plans encourage your class to keep track of the hours they spend performing community service projects as a chapter and then compete in the Chapter Civic Event or Individual Civic Event for the IGNITE Montana Conference. See your COMPETITIVE EVENTS MANUAL FOR DETAILS ON ALL EVENTS!!!!

STUDENT VOICE | INNOVATE | MOBILIZE | EMPOWER | CONNECT
